

Praise be to God, many good praises until He is satisfied. Oh God, we ask you for acceptance, forgiveness and well-being in this world and the hereafter, and we ask you for a good end and outcome, O Lord of the worlds. As for what follows:

Since the beginning of creation, humans have needed knowledge and had curiosity and a love of learning and getting to know each unknown, and humans have collected since that time until this day a huge amount of information and facts. Therefore, in our research, we have collected for you the most important experiences, facts, secrets, and the most important information and details about (the name of the scientific subject), hoping and hoping that this research will be one of the approved and reliable research from which every lover of knowledge and science benefits.
